

20/ TWENTY

20/TWENTY is made up of expressive, vivacious poses evocative of the lifestyle of young adults in the fashion world. Some poses are more relaxed while others are extroverted, but they always project an air of self-confidence. 20/TWENTY's unique body language works best with denim and smart-casual fashion. When shown together, the male and female poses compliment each other and help tell your brand's story. 20/TWENTY is sculpted with a natural, authentic look, but our mix-n-match policy means you can choose from our wide selection of heads.
