

ATHLETES

ATHLETES is a mannequin range designed specifically to showcase activewear and bring the gym, field, or boxing ring right into your store. Both male and female ATHLETES have ultra-defined muscles that are further accentuated by their active poses. Every exciting pose is like a snapshot of a sport, be it a sprinter, a skater, a golfer, or a tennis player. Our ATHLETES are the best way to present sportswear, especially in a dark finish to highlight their muscular figures.
