

IDOL

The IDOL male range is an eyecatcher with fashionable, expressive poses. The semi-abstract figures represent young, style-conscious men who shop the latest trends. IDOL male mannequins have a simple, unique look that will capture a customer's attention but keep their eyes on your clothing. IDOL thrives in everything from haute couture to high-end denim. These mannequins are available with a variety of heads and can be adapted to fit the customer's requirements for colors and finishes.
